

ACC Roundtable Discussion and Statewide Screening Efforts

Dr. Hattie Scribner, PhD, MCHES®
BreastCare Administrator
March 7, 2023

Breast Cancer Roundtable Discussion

Envisioned framework and structure of the state roundtable

- Focus on decreasing barriers
- Providing education
- Navigation to services/treatment
- Empowering survivors
- Providing resources

Statewide Screening Efforts

- 1) Increase community access to cancer screening
- 2) Increase community demand for cancer screening
- 3) Increase provider delivery of screening services

Strategies:

- Partnerships
- Referrals
- Outreach Events
- Group Education
- One-on One Education
- Mobile Mammography Events
- Utilize patient navigators, community health workers
- Distribute educational media (Pamphlets, Brochures, Social Media)
